

**IN THE SECOND SESSION OF THE THIRD
PARLIAMENT OF THE FOURTH REPUBLIC OF
GHANA**

**REPORT OF THE FINANCE COMMITTEE ON THE
REQUEST FOR TAX EXEMPTIONS IN RESPECT OF
THE SEKONDI-TAKORADI WATER SUPPLY
REHABILITATION PROJECT**

1.0 INTRODUCTION

The above-mentioned Request was laid in the House on Friday 29th November 2002 and referred to the Finance Committee for consideration and report in accordance with the Constitution and Standing Orders of the House.

To consider the Bill, the Committee met with the Minister of Works and Housing, Hon. Yaw Barimah, Deputy Minister Ms. Theresa Tagoe and a technical team from the Ministry of Works and Housing and reports as follows:

2.0 BACKGROUND

The Government of Ghana secured a Mixed Credit Facility for an amount of Euro 13,783.574 (Thirteen Million Seven Hundred and Eighty-Three Thousand and Five Hundred and Seventy-Four Euros) from the Danish Government, under which a Water Sector Program Support comprising of

the Sekondi- Takoradi water supply project is to be undertaken.

Under the agreements, there are articles stipulating that the project, income of the contractor, specified expatriate personnel and expatriate subcontractors, machinery and equipment and all other specified project related items are to be exempted from all forms of duties, taxes, and fiscal levies in the Republic of Ghana.

The project, which involves the rehabilitation of the Sekondi- Takoradi water supply and is jointly funded by the government of Ghana and the Danish Government, is to be undertaken by Messrs Ballast Nerdam B. V. of Netherlands.

The tax exemptions sought under this agreement falls into three categories.

- ❖ The first category seeks to exempt all materials and equipment imported by, or supplied to the contractor for the execution of the project from import duties, taxes, national or other public charges.
- ❖ The second category seeks to exempt expatriate personnel from the payment of income taxes or any other direct tax or charge in respect of any emoluments paid to them.
- ❖ The third category seeks to exempt expatriate Subcontractors and their specified personnel from the payment of income taxes or any other direct tax or charge in respect of any emoluments paid to them.

Attach are copies of the relevant Articles stipulating the tax exemptions titled **Appendixes I to III** and a list of materials and equipment to be exempted, titled **Appendix IV**.

3.0 OBSERVATIONS

The Committee was informed that should these exemptions not be granted, any duties and taxes paid by the Contractors, sub contractors and expatriate personnel would have to be refunded by the Government of Ghana including any interest, penalties and exemptions payable or incurred in connection therewith.

The Committee noted that in order to avoid incurring debt as a result of the interest that is likely to accrue on the taxes, it has become necessary to seek approval from the House to waive the payment of the required duties and taxes on the specified equipment, spares, personal effects and materials being used for the execution of the project, as provided for under the contract agreements.

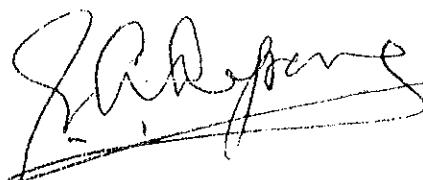

The Committee also observed that the total amount of tax and duty exemptions claimed under the Agreement in respect of specified materials, equipment, specified expatriate personnel, the expatriate subcontractors and their specified personnel and all other specified project related items for the project is estimated to be Euros 3,973,766.19.

4.0 RECOMMENDATIONS

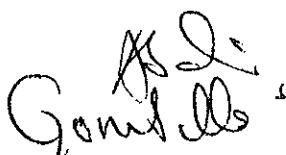

In view of the above observations, the Committee recommends to the House the adoption of the report and

approval by resolution, the exemption from taxes amounting to Euros 3,973,766.19 (Three Million, Nine Hundred and Seventy-Three Thousand, Seven Hundred and Sixty-Six Euros and Nineteen Cents) on equipment and other materials to be used for the rehabilitation and distribution improvement of the Western Accra and Weija Remedial Works as well as all taxes and levies in relation to income and personal effects of expatriate personnel, including contractors and subcontractors, in accordance with Article 174(4) of the Constitution.

Respectfully Submitted.
