

IN THE FIRST SESSION OF THE SEVENTH PARLIAMENT OF THE FOURTH REPUBLIC
OF GHANA

**REPORT OF THE COMMITTEE OF SELECTION ON THE
RE-COMPOSITION OF COMMITTEES OF THE HOUSE**

1.0 INTRODUCTION

In line with Standing Order Nos. 151 and 152, the Committee of Selection met and recomposed the Standing and Select Committees of the House.

In furtherance of this, the composition of the Committees of the House was based on the ratio of **169:106** representing the numerical strength of the two caucuses in the House and as approved by the House.

The re-composition became necessary due, among other considerations, to the fact that some chairmen and vice chairmen of committees have been appointed ministers and deputy ministers to various ministries and this will affect the oversight responsibilities of such members on the various committees that oversee the various ministries.

The situation where sector ministers superintend their oversight committees of the House is at variance with best practice and indeed the conventions of the House. There was thus the need to undertake the exercise that has been done.

The Committee after due consideration, submits to the House the full list of the recomposed Standing and Select Committees as follows;
