

**IN THE SECOND SESSION OF THE EIGHTH PARLIAMENT OF THE FOURTH
REPUBLIC**

**REPORT OF THE COMMITTEE OF SELECTION ON THE RECOMPOSITION OF
COMMITTEES OF THE HOUSE**

1.0 INTRODUCTION

In accordance with Orders 151, 152 and 193 of the Standing Orders of the House, the Committee of Selection met and recomposed the Standing and Select Committees of the House.

The composition of the Committees of the House was based on the ratio 138:137, representing the numerical strength of the two caucuses of the House and as approved by the House. In constituting the Committees, the Committee was thus guided by the conventions, practices and the Standing Orders of the House.

The re-composition became necessary due, among other considerations, to the fact that some Chairpersons and Members have been appointed Ministers of State, Deputy Ministers of State, Regional Ministers as well as Deputy Regional Ministers. The frequent absence of such key members adversely impacts the effectiveness of Committees. Further, the changes are proposed in accordance with Order 193.

There is therefore the need to recompose the Committees in order to enhance the effectiveness of the Committees of the House.

The Committee of Selection, after due consideration, submits to the House, the full list of the Recomposed Standing and Select Committees.
