

IN THE THIRD MEETING OF THE THIRD SESSION OF THE EIGHTH
PARLIAMENT OF THE FOURTH REPUBLIC OF GHANA

REPORT OF THE COMMITTEE OF SELECTION ON THE RE-
COMPOSITION OF SELECTED COMMITTEES OF THE HOUSE

1.0 INTRODUCTION

During the Second Meeting of the Third Session, H. E. the President appointed some Members of Parliament as Ministers and Deputy Ministers of State. The bye-election at Kumawu Constituency saw the election of Hon. Ernest Anim whilst the one at Assin North re-elected Hon. James Gyekye Quayson. Again, changes in the Leadership of the Minority Group occasioned some gaps in the leadership of some Committees of the House.

In order to ensure the smooth functioning of Parliament, particularly in the deliberations and approval of the Annual Estimates of the Ministries, Departments and Agencies (MDAs), other Arms of Government and Independent Governance Institutions for the 2024 financial year, the Committee met and considered the need to re-compose membership of the affected Parliamentary Committees.

The re-composition of the specified committees in the attached appendix was made pursuant to Order 193 of the Standing Orders of Parliament. The Committee also had regard to the ratio of 138:137 representing the numerical strength of the two caucuses as well as the conventions and practices of the House.

2.0 OBSERVATIONS

The Committee observed that some Members have been appointed as Ministers and Deputy Ministers of State and these appointments have created some lacuna in the Membership of some Committees which continue to impact negatively in the effective functioning of the affected Committees.

Further, article 103 of the 1992 Constitution enjoins each Member of Parliament to be a member of at least one standing committee of the House. The Committee took particular note of the fact that Hon. Ernest Anim, Member of Parliament for Kumawu, is yet to be assigned a committee.

Additionally, by virtue of the changes in the Leadership of the Minority Group at the beginning of the Third Session, some Members who hitherto were Ranking Members of some identifiable Committees are now serving in Leadership.

In view of the above concerns, the constitutional imperative and the need for the smooth functioning of the House; the Committee, pursuant to Order 193, proposes for the consideration of the House the re-composition of the membership of the following Committees as indicated in the attached Appendix:
